- Main road
- Minor road
- Tarmac track
- Track or forest road
- Footpath or old track
- Intermittent path
- Railway, station, tunnel
- Dismantled railway
- Powerline
- Pipeline

On moorland, walls, ruined walls and fences are shown. For farmland, only the outer boundary wall or fence is shown. Plantation includes newly planted trees, dense forestry and felled areas.

The representation of a road, track or footpath is no evidence of the existence of a right of way.

Contours change from brown to grey where the ground is predominantly rocky outcrops, small crags and other bare rock.

RIGHTS OF WAY Right of Way information is taken from the Definitive Map. It is intended as a guide for walkers and cyclists to the legal accessibility of routes. For further detailed information on the status of any route (including BOATs, RUPPs and Restricted Byways, all shown as Bridleways on this map) refer to the Definitive Map held by the Local Authority.

- Public footpath with path on the ground
- Public footpath without path on the ground
- Public bridleway with path on the ground
- Public bridleway without path on the ground
- Permissive path (may be withdrawn)
- Long Distance Path
